

# A complete guide to HP storage supplies Spring 2005

## Key selling points:

- More business's store their data on HP branded Ultrium, SuperDLT, DLT and DDS cartridges than on any other equivalent media brand.
- No other brand of storage media is so extensively tested for optimum quality, reliability and performance on HP drives and libraries as HP branded media.
- HP guarantees the highest level of quality with media specifications that far exceed industry standards.
- No media-only supplier can possibly match HP's experience and knowledge of what will and will not work inside a tape library.
- Guaranteed compatible with certified drives and libraries from all other manufacturers.
- Pre-labelling is FREE – no price difference between HP standard and HP pre-labelled cartridges.
- 5 FREE cleaning cartridge labels with every 20 pre-labelled cartridges.
- Unbeatable customer support.
