

My Book™ Office Edition™

Protect Your Business Assets
Automatic, Continuous Backup
Access Files Remotely

My Book is the perfect
desktop business partner.

– Gina McGrath
Business Owner/Fashion Designer

Protect Your Business Assets.

That 200-page business plan, your e-mail records, all your company's digital assets...what could be more important? Store them safely and keep them backed up on WD's My Book Office Edition external hard drives.

With this elegant, collectable product that takes no more space than a paperback book, you can back up important data to multiple destinations including file servers, portable drives, and to your My Book. Synchronize working files to keep them current and secure. Set it and forget it; every time you save a change it's automatically backed up.

On the road? With MioNet® DriveAccess™ you can access this drive from anywhere and securely share the files on it free for the life of the drive.*

Protect your creative masterpieces with automatic backup.

Compact design fits right in.

Capacity gauge shows available storage space.

Powers on and off with your computer.

Remotely access and securely share files on this drive.
