

HP EliteBook 2170p Notebook PC

HP's Ultimate Travel Companion. Optimized for Windows® 7 Professional, HP's smallest, light-weight EliteBook offers an 29,4 cm (11.6") diagonal HD¹ display, business rugged design, extensive connectivity² and Intel's ultra-low voltage processor.

HP recommends Windows® 7.

Travel friendly

Stay productive during business travel with HP's smallest, light-weight EliteBook. Starting at under 1.31 kg (2.9 lb), your carry-on luggage just got lighter.

The 29,4 cm (11.6") diagonal HD¹ display won't weigh you down. The sharp resolution provides a crisp view of business documents and more.

Work efficiently on a full-sized keyboard, even in dimly lit conference rooms or on red eye flights. The backlit keyboard³ makes it easy.

Its business rugged design protects your laptop against the bumps common with mobile use so your PC looks as good as you do.

Work on the road or at the office

Whether you're across the street or around the globe, HP's extensive wireless technologies have you covered. From the included WiFi² to the optional integrated HP Mobile Broadband featuring 3G, you can conveniently access the internet, corporate networks, email and mission-critical information in more places around the world^{4,5}.

Enhance presentations, reports and more with impressive visuals, using UMA graphics.

Keep up with your demanding workload, thanks to Intel's ultra-low voltage processor that also delivers long battery life. Consider how much more you'll accomplish when worrying less about charging your notebook on the road.

Cost cutting made easy

Easily share docking solutions³ with colleagues. The HP EliteBook 2170p is compatible with most docking stations used across HP's w-, p- and b-series, so you can take advantage of hot-desking without spending more on additional docking options⁶.

Engage in video conferences, web-based trainings⁷ or streaming videos with smooth audio quality that'll surprise you coming from a notebook. SRS Premium Sound PRO also allows you to share crisp, powerful sound directly from your notebook. Forget the extra speakers during your presentations.

⁷ Internet access required.

Accessories and services (not included)

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

HP 90W Docking Station

Desktop convenience with full port replication capability in a space-saving design.

Product number: VB041AA

HP Elite Leather Messenger

HP Elite Leather Messenger is designed for the busy executive who demands both modern style and function. The professional exterior is constructed of durable leather for a perfect complement to the functional interior. A padded shoulder strap provides comfort while magnetic handles and closing tabs ensure easy one-handed opening and closing.
