(Q7570A)

## Reliable performance means lower printing costs.

- The HP LaserJet Q7570A Black Print Cartridge is designed to just work – that means incredible reliability and no fuss. Fewer interruptions save time and lower your overall costs of printing, fewer supplies make supplies management easier and better value for money. This reliable, all-in-one HP LaserJet print cartridge is designed for simple, cost-effective operation.

## Low-maintenance, convenient printing with fewer supplies to manage

- This reliable, all-in-one HP LaserJet print cartridge is designed for simple, cost-effective operation and incorporates HP toner and the imaging drum in one supply. Fewer supplies make supplies management easy. To minimise interruptions, HP Smart printing technology sends alerts when supplies are low and enables convenient reordering through HP SureSupply<sup>1</sup> – with the higher productivity enabled by the original HP LaserJet print cartridge, you get true value.

## HP print cartridge and toner technology ensures consistent, professional results

- Because 70 percent of the imaging system is contained within the cartridge, the HP LaserJet Q7570A Black Print Cartridge is designed to work with the printer to optimise print quality and reliability with every print.

<sup>1</sup> Using genuine HP supplies ensures availability of all HP printing features. Program features and availability may vary by country. For more information, visit [www.hp.com/learn/suresupply](http://www.hp.com/learn/suresupply).

HP LaserJet Q7570A Black Print Cartridges are perfect when productivity counts - you need low-maintenance cartridges that keep your printers working hard. Fewer, more reliable supplies help save time and money.
