

# HP Scanjet Enterprise 7000n Document Capture Workstation

Improve workflow and boost productivity with a shared document capture workstation offering familiar manageability and advanced networking and security features, along with an easy-to-use touchscreen interface for everyday users.

**The HP Scanjet Enterprise 7000n Document Capture Workstation is designed for IT managers and personnel in managed enterprise environments who need a document capture device with advanced networking and security and a host of user-friendly features.**

**Manage documents and workflows directly from this departmental document capture workstation.**

Streamline enterprise document workflows with this departmental document capture workstation. Use the large colour touchscreen and built-in keyboard to view, verify and modify documents directly from the workstation – no need to send them back to a PC. Complete the capture process at the device – send scans to email, network folder, digital fax or a workflow destination. Save commonly used settings using QuickSets, then launch document workflows at the touch of a button.

**Robust security and easy network manageability with HP Web Jetadmin.**

Boost productivity and enable sharing using 10/100/1000 Mbit/s networking with advanced security features including IPSec, SSL, SNMPv3 and Kerberos. Simplify scanner management and save IT resources with HP Web Jetadmin – use this web-based network management software to configure devices and retrieve important device information. Enjoy the familiar manageability tools, robust security and intuitive user interfaces found on HP multi-function devices. ENERGY STAR qualified.

**Fast, easy and reliable document capture with versatile document handling features.**

Scan at up to 40 ppm/80 ipm in black-and-white and greyscale; up to 35 ppm/70 ipm in colour<sup>1</sup>. Scan multiple document types, sizes and weights at one time with HP Precision Feed technologies<sup>2</sup> – the scanner adjusts feeding if it fails to pick up a page, or notifies the user if it senses it picked up too many. Handle mixed stacks, even plastic ID cards. Get more done with a 50-page automatic document feeder<sup>3</sup>. Enhance readability of scans with colour drop-out.

<sup>1</sup> Speeds attained at 200 dpi black and white, colour and greyscale using HP Smart Document Scan Software, A4 paper

<sup>2</sup> A8 to A4 size documents from 49 to 120 g/m<sup>2</sup>

<sup>3</sup> 50-page stack size is calculated using 75 g/m<sup>2</sup> bond paper.

## Technical specifications

<b>Scanner Type</b>	Sheetfed
<b>Scan Technology</b>	Charge Coupled Device (CCD)
<b>Recommended daily throughput</b>	Up to 2000 pages
<b>Scan speed (ADF, A4)</b>	Up to 40 ppm/80 ipm (b&w, grey), up to 35 ppm/70 ipm (colour)
<b>Scan resolution</b>	Optical: Up to 600 dpi Hardware: Up to 600 x 600 dpi Output resolution dpi settings: 75, 100, 150, 200, 240, 300, 400, 500, 600
<b>Bit depth</b>	48-bit internal/24-bit external
<b>Greyscale Levels</b>	256
<b>Scaling</b>	1 to 999% in 1% increments
<b>ADF capacity</b>	Standard, 50 sheets (75 g/m <sup>2</sup> )
<b>Media size, ADF</b>	A4, A5, A6, A8, custom, business and credit cards, long paper up to 864 mm
<b>Document weight</b>	Minimum: 49 g/m <sup>2</sup> ; Maximum: 120 g/m <sup>2</sup>
<b>Multi feed detection</b>	Yes, ultrasonic
<b>Control panel</b>	Full-SVGA Control Panel Display with HP Easy Select UI, Sleep (with LED), Reset, Start (with LED), Stop buttons, screen brightness control, Ready, Data, Attention LEDs, both virtual and hardware keyboards, Power button (with LED) and USB port
<b>Digital sending standard features</b>	Send to E-mail, Save to Network Folder, Save to USB drive, LDAP and local and personal address book e-mail addressing, Microsoft® Windows® / Kerberos, Novell® and LDAP authentication, Group 1/Group 2 PIN authentication, Send to Internet Fax, Send to LAN Fax, Quick Sets, Image Preview
<b>Scanner advanced features</b>	HP Precision Feed technology, Blank page removal, Colour dropout, Long page scanning, Ultrasonic double feed detection, Quick Set Scan Profiles
<b>Scan input modes</b>	Full-SVGA Control Panel Display with HP Easy Select UI, Sleep (with LED), Reset, Start (with LED), and Stop buttons, screen brightness control, Ready, Data, and Attention LEDs, and both virtual and hardware keyboards, Power button (with LED), and USB port
<b>Scan file format</b>	JPG, TIFF, MTIFF, PDF (image-only, searchable, compressed and RC4 encrypted), PDF/A, TXT, Unicode TXT, RTF, HTML, XPS (image-only and searchable)
<b>Software included</b>	Embedded IRIS OCR engine, compatible with HP Digital Sending Software 4.9 software (optional)
<b>Security management</b>	Security: Microsoft® Windows® / Kerberos, LDAP authentication, 1000-user PIN codes authentication, security lock slot, IPsec, SSL (https), SNMPv3 (with WJA), Secure File and Hard Disk Erase options, Manage Certificates, Password Protected Encrypted PDF, Smartcard Solutions for U.S. Government, Access Control List, Encrypted Credentials on Device/Network Management: Fleet Management (HP Web Jetadmin, HP Digital Sending Software), Embedded Web Server, Administration Application through Front Panel, Import/Export (pins, local address book, speed dials)
<b>Operating systems compatibility</b>	No Operating System required.
<b>Minimum system requirements</b>	Microsoft® Windows® folder share, DFS, Novell® share; Microsoft® Windows® client to access the Embedded Web Server pages
<b>Interface and connectivity</b>	Standard: Gigabit Ethernet, Hi-Speed USB 2.0 Optional: HP Jetdirect 690n IPv6/IPSec 802.11g Wireless Print Server, J8007G
<b>Replaceable parts</b>	Automatic Document Feeder Cleaning Sheet, 10 pack, C9943B; ADF Roller Replacement Kit, L2707A
<b>Dimensions (w x d x h)</b>	321 x 411 x 343 mm
<b>Weight</b>	16.19 kg; packaged: 20.86 kg
<b>Operating environment</b>	Operating temperature: 10 to 35° C; storage temperature: 40 to 60° C Operating humidity: 15 to 80% RH (non-condensing); storage humidity: 0 to 90% RH (non-condensing)
<b>Power requirements</b>	Input voltage 100 to 240 VAC (+/- 10%), 50/60 Hz (+/- 3%), 2.6 amp; consumption: 98 watts maximum, 77 watts maximum (standby), 3 watts maximum (powersave/scanner)
<b>ENERGY STAR</b>	Yes
<b>Regulatory compliance information/safety</b>	IEC 60950-1 First Edition (2001), national derivatives, associated voluntary and mandatory certifications: Russia (GOST)
<b>Electromagnetic compatibility</b>	Federal Communications Commission (FCC) Part 2 and Part 15, Class A and ANSI 63.4-2003 [USA]; EN55022: 2006, Class A [Europe]
<b>Warranty</b>	Standard one-year limited hardware warranty. Warranty and support options vary by product, country and local legal requirements.

## Ordering information

<b>L2709A</b>	HP Scanjet Enterprise 7000n Document Capture Workstation, Hardware Integration Pocket (HIP), Getting Started Guide, power supply and power cord, CD-ROMs with scanning software
